

APPENDIX: Custom Cards

To use these cards, print out a copy on a thick paper, like cardstock. Then, cut out each row and fold it in half (so that, for example, the side that says “B: Bush” is on the back of the side that says “A bird in the hand is worth two in the ____”) and tape or glue the card together. The 10 cards shown here should be sufficient for a 5-minute activity. However, unlike in the purchased Rolf game, each group of students will have the same set of cards. If you want to add some variety, create additional cards with items of your own selection!
