

### **APPENDIX: *Example Dialogue***

Here is an example dialogue between partners in which the students are learning about animals. In this example, the animal is a frog.

**Student A:** Is it big?

**Student B:** No, it's not.

**Student A:** Is it brown?

**Student B:** No, it's not.

**Student A:** Does it live in the water?

**Student B:** Yes, it does.

**Student A:** Does it have two legs?

**Student B:** Yes, it does.

**Student A:** Is it a frog?

**Student B:** Yes, it is!
