

Routine Questioning A

Directions: Make guesses about your partner's schedule. Then ask your partner questions to check your guesses. Score one point for each correct guess. Who is the better guesser, you or your partner?

- **What time do you usually...?**

Example: What time do you usually *get up*? I usually *get up* at 6:00.

- **Do you usually ... before ... or after ...?**

Example: Do you usually *get up* before 7:00 or after 7:00? I usually *get up before* 7:00.)
